WOMEN'S CONVENTION MEETS IN HARTSVILLE

MRS. J. L. COKER WAS ELECTED PRESIDENT FOR NEXT YEAR

GRAND RECEPTION

Given by Chamber of Commerce Was Fitting Climax to Successful Week.

The 18th annual convention of the South Carolina Federation of Women's clubs came to a close with a brilliant reception given last evening by the chamber of commerce at the home of Mrs. Rufus Plant on East River Street. The convention has been in session for the past three days, not including the session held in Tuesday evening in the Anderson theatre.

The convention will be held next year in Hartsville, this matter having been decided yesterday afternoon when the decision for Hartsville was almost unanimous.

Election of Officers.

Business of the most importance yesterday was the selection of officers, which resulted as follows:

Mrs. J. W. Coker, Hartsville, president; Mrs. J. B. Ellers, Marion, vice-president; Mrs. Frank B. Geary, Abbeville, second vice-president; Mrs. C. C. Featherstone, Greenwood, recording secretary; Mrs. B. A. Morgan, Greenville, treasurer; and Mrs. H. W. Carroll, Bennettsville, auditor.

In the election for state president the vote was as follows:

Mrs. J. L. Coker, 51, Mrs. Rufus Plant, 42, and Mrs. John T. Sloan, 6. According to the constitution, the nominee receiving the highest number of votes is elected, therefore the president declared Mrs. Coker elected.

The recommendations of the president were read serially and the new officers were installed immediately after the election.

The chairmen of the various committees are:

Conservation, Miss Armita Ross, Sumter.

Civic, Mrs. Von Treckow, Camden. Education, Mrs. Walter B. Duncan, Allen.

Home Economics, Kathlene Muligan, Sumter.

Library, Mrs. W. A. Scott, Johnson.

Music, Mrs. Thos. Dotterer, Charleston.

Publicity, Miss Montgomery, Marion.

Public Health, Miss Julia Irby, Laurens.

Social and Industrial, Mrs. John Gary Evans, Spartanburg.

A great many delegates began to leave Anderson for their homes yesterday afternoon, although a large percent of them remained. They will leave Anderson this morning, after having been present at one of the most successful conventions of the Federation ever held.

ORGANIZED MUTUAL HAIL INSURANCE CO.

GREAT DEMAND FOR PROTECTION IN ANDERSON COUNTY

ELECT OFFICERS

E. P. Vandiver Elected President and Q. Frank Johnson and E. A. Marshall Agents.

At a meeting held in the offices of the Peoples bank yesterday afternoon at 4 o'clock, The Anderson County Mutual Hail Insurance company was organized, the following officers being elected: E. P. Vandiver, president; James R. Anderson, vice-president; and J. M. Evans, secretary. Directors elected were: J. C. Bolt, J. R. Anderson, D. S. Vandiver, L. M. Geer, E. Vandiver, J. M. Evans, C. C. Jones, J. M. Evans and J. M. Long.

The company will operate only in Anderson county and E. A. Marshall and Q. Frank Johnson have been made agents.

The organization of the company grows out of the demand for the protection from hail, it being impossible now to get any of the old line companies to write in this state. There have been many inquiries about securing protection of this kind, and it was decided to organize a mutual company. More details regarding the insurance will be made public today.

The secretary of state issued a commission for the company, the petitioners being:

Q. F. Johnson, Lee G. Holleman, E. P. Vandiver, D. S. Vandiver, J. F. Anderson, L. N. Geer, J. A. Major, E. A. Marshall, J. Tom Bolt and J. M. Evans.

The second game between Carolina and Clemson will be played this afternoon at 4 o'clock, with Long in the box for the Tigers and "Big" Newton for the University lads.

This game will doubtless be one of the hardest contested that has been played in Anderson this season.

The field will be in better shape this afternoon. It is being sprinkled and rolled this morning, and this will make it smoother and not so dusty.

The secretary of the chamber of commerce had to put up a guarantee of \$175 for the two games between Carolina and Clemson, and if the attendance is not better this afternoon than it was yesterday, there will be a deficit. The guarantee was signed by the merchants and business men of Anderson, and these should assist in having a large crowd present as much as possible.

It is hardly probable that Anderson fans have ever seen better college baseball anywhere than the college games which have been played here this season, and the one this afternoon will doubtless prove one of the best. It is said that about 200 of the Clemson cadets will be present for the game.

DELEGATES CHOSEN ANNUAL CONVENTION

ELKS WILL MEET IN SPARTANBURG THREE DAYS NEXT WEEK

GO IN AUTOMOBILES

In Addition to Representatives as Many Other Members as Can Will Go.

At the regular meeting of the Anderson lodge of Elks held last evening, delegates were elected to represent the lodge at the annual convention which is to be held in Spartanburg on May 17, 18, 19, which is during the Music Festival. The following were elected delegates: Capt. Ralph J. Ramey, T. P. Dickson, Sam'l. Wolfe, C. E. Tolly, K. E. Gilmer, Joe W. Norris, A. L. Todd, W. K. Coleman, J. Tom Bolt, Dr. C. F. Ross and W. L. Brissey.

The local Elks are very enthusiastic about the convention and will endeavor to let the other members who attend from other lodges in the state know that Anderson is on the map.

As many of the local members as possible will go to Spartanburg in addition to the delegates which were selected. The entire party will leave Anderson on the afternoon of next Wednesday and will go to Spartanburg in automobiles. It is thought that at least 40 from the local lodge will attend.

The uniform chosen for the Anderson delegation will be composed of blue coats, white trousers, white shoes and white hats. The Anderson representatives made an exceptionally good showing at the convention in Charleston last year and that record will be maintained this year.

voice, temperament, youth and a remarkable personality. To hear this unusual voice and to know the lovely woman behind the song will enrich the lives and elevate the ideals of those who experience this ennobling influence." This noted Dutch contralto is comparatively unknown in this country, and her present tour is being made because the war prevents her filling engagements in Europe.

Beauty and Personality.

If any dependence is to be put in advance notices and accounts in the newspapers, whatever Miss Anna Case has appeared, this Metropolitan star, possesses more beauty and personality to the square inch than any American woman in Grand Opera today. She has been known to Atlanta grand opera patrons for the six years preceding the last season when she was kept away by illness. She will sing the soprano title in "Linda di Chamorro," the opera version of Sir Walter Scott's romantic "Bride of Lammermoor," Thursday evening. Other acts including those who will appear in Handel's "Messiah" Wednesday evening, are Mrs. Marie Tilloston Alcock the noted American contralto, who was most warmly received last year, John Campbell, tenor, also very popular last year, Theodore Harrison, baritone, heard with pleasure at the 1915 festival, Miss Laura Combs, soprano, who made a place in the hearts of music lovers here in a concert last winter, and Robert Maitland, the young English bass who has received favorable notice from the critics of New York.

Great Growth of Choruses.

So many school children of the city wished to sing in the famous Children's chorus this year that the directors of the festival association had to make arrangements for the enlargement of the chorus. The result is the great chorus of the festival, which is the largest of its kind in the South.

The chorus of singers which has provided the particular feature for the past three years, now numbers 650. They will sing Thursday afternoon. The enlargement of the chorus makes possible a greater number in the adult choruses which now numbers about 500. Director Morris is well pleased with the all around excellence of their singing.

Advance sales of tickets have been good, and railway authorities say inquiries indicate this year's festival will be well attended.

MOTHER'S DAY WILL BE OBSERVED SUNDAY

Emblem of Day is White Carnation and Many Will Be Worn. Messages.

The second Sunday in May is Mother's Day and this year it falls on next Sunday. The beautiful thought of setting aside one day in the year to show particular devotion to one's mother was first suggested to Miss Anna Jarvis of Philadelphia, who founded the Mother's Day International Association to provide the necessary organized support for the fostering of the movement. Thanks largely to her efforts, Mother's Day has become a recognized institution as the day on which each of us should pause to acknowledge our debt of affection and gratitude to "the best mother who ever lived," on which we should be willed her if we can, and, if we unfortunately cannot, should make a point of sending her a message of affection and cheer.

In co-operation with the effort to foster the observance of Mother's Day, the Western Union Telegraph Company has provided special telegraph blanks, appropriately decorated with an artistic design of carnations and bearing the legend "Mother's Day," on which all messages of those who wish to send a word of greeting to their mothers on this occasion, by day letter or night letter or in a short telegram, will be delivered.

The emblem of the day is the white carnation, and it is the hope of the Mother's Day Association that it will be worn by every one as a tribute of respect, not only for his own mother, but also for all the gentle and noble motherhood of the land.

A Symbol of Health.

The Pythagoreans of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package from your druggist. You will be surprised at the quick relief which they afford. Obtainable everywhere.
